A FRANK WOMAN

Here of late women are not showing such a fierce desire to be Lovely Characters. A woman gave another woman her photograph, and the recipient, instead of saying "I will treasure it always," refused to accept it! "It means only one thing more to be dusted," she said. "If I have it out on the table it becomes a nuisance and if I put it out of sight you will be offended. Moreover, every day that passes it will become a little more old-fashioned and a little more of a caricature. I won't have it." — Atchison Globe.

BIG CIRCUS AT JOPLIN

Barnum and Bailey to Exhibit There on Wednesday, September 15

The Barnum & Bailey greatest show on earth is to visit Joplin on Wednesday, September 15. Never since the beginning of time has an amusement enterprise so tremendous in size been organized as this one. Its magnitude is almost beyond belief. All America, together with every foreign country, has been scoured from end to end by agents of this big show in search of novelties and the result is a performance brim full of sensational acts new to the circus world. In the big Barnum & Bailey show are nearly 400 arenic stars, most of whom are seen now for the first time. A new sensation will be seen at every performance in "JUPITER, the balloon horse." This remarkable animal with its fearless rider ascends to the dome of the circus tent in a balloon and descends to the ground in a shower of fireworks. Nearly 1000 animal wonders are to be found in the big 108 cage menagerie. 8 herds of elephants, including one herd that actually plays upon musical instruments in time and tune. A group of giant giraffes, monster trained hippopotamus, only living bi-horned rhinoceros and hundreds of other strange beasts. Barnum & Bailey's big, new, free street parade is the most gorgeous processionary display ever attempted in the history of circus business. It is natural to expect this big circus to lead all others in quality and quantity of its street spectacle as well as in other departments of the big show, yet never in its splendid history of nearly half a century has it displayed such extravagance as is shown this year.

Coughs, Colds, Croup, Hemorrhages and Sore Throats are surely cured by it. Best for Hay Fever, Grip and Whooping Cough. 50c and \$1. Trial bottle free. Guaranteed by A. H. Cox & Co.
